

Get connected

Quick start guide

Step 1: Connect to Glide Wi-Fi

- Scan for available Wi-Fi networks and **select Glide_Signup**.
- Open a **browser** and you'll be re-directed to the Glide welcome screen.
- If you've **just moved in**, click on **Register**. If you're only visiting, click on **Visitor access**.

Step 2: Choose your service

- If you only have an inclusive product at your property, go to Step 3 below.
- If you have upgrade options available at your property, click the basket icon next to the product price to add it to your basket.
- Click **Proceed to Checkout**, where you can review your purchase before selecting **Continue**.

Step 3: Create account

- Complete all fields and click **Register**. Go to step 4.
- If a payment is required, enter your payment and billing details. Click **Pay Now** to accept terms and conditions. If the payment is successful, a confirmation screen will be displayed.

Step 4: Connect to your secure network

- If registration has been successful, a confirmation screen, with your unique network password, will be displayed.
- Click on the **copy icon** and go to your device's network settings.
- **Forget** the Glide_Signup Wi-Fi network and **connect to the Glide_Resident network** instead.
- Paste your password in at the prompt and continue.
- Once connected, you can get online.
- You can use the same password to add further devices to your personal, private network.

HINT: Make sure you keep your password safe. This will also be sent to you via email and text message for your convenience.
